

# PHRASAL VERBS WITH 'WRITE'

phrasal verb	meaning	example
write down	make notes/record something	I wrote down 3 pages of notes from today's lecture.
write in	send an email/text to a tv/radio station etc.	Miss Matthews has written in asking if it is ok to smack children.
write off	cancel a debt or destroy a car in an accident	Since you worked for me all weekend, I've written off your debt.
write out	write something in full or remove a character from a tv show	They've written Harry out of my favourite series. The actor is sick in real life.
write up	write the finished/complete version	I'll write up the notes from the meeting ASAP and send an email around.
